AB&K Designer Manager Achieves Prestigious Certification from NARI

Tracy Grosspietsch adds Certified Kitchen and Bath Remodeler to her many other industry accomplishments.

Greenfield, WI -- AB&K, the fastest growing remodeler in the Milwaukee area, announces that Tracy Grosspietsch recently achieved the prestigious Certified Kitchen and Bath Remodeler (CKBR) certification from the National Association of the Remodeling Industry (NARI). The CKBR designation acknowledges the individual's superior knowledge, technical comprehension, and skill in remodeling.

The CKBR program measures skill and expertise valued not only by other professional remodelers, but by consumers as well. It assesses the knowledge and skills of the remodeler in over 20 remodeling task areas including business methods and practices, building codes and construction law, kitchen and bath planning, building site layout, and all the trade services required to remodel a home. In addition, they must also adhere to NARI's strict Standards of Practice and Code of Ethics, including honesty, integrity, and responsibility in their conduct of business. Preparation for the exam includes up to 16 weeks of intensive study and self-examination.

"I'm excited about the CKBR accreditation for myself and AB&K. The title lets homeowners know that we are one of the best kitchen and bathroom remodelers in Southeast Wisconsin," says Tracy Grosspietsch.

About Grosspietsch
